**Summary of Legislation:** This bill changes the name of the Division of Mental Health to the Division of Mental Health and Addiction. The bill amends the definition of "managed care provider" to include (1) organizations that provide children's mental health services; and (2) organizations that are exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code (instead of nonprofit corporations incorporated in another state).

**Effective Date:** July 1, 2001.

**Explanation of State Expenditures:** There could be costs in changing the name on various signs especially at the state institutions under the jurisdiction of the Division of Mental Health. The only other impact would be if the Division disposed of stationery or other forms or supplies that contained the current name of the Division and replaced the supplies before it typically would. These costs would be covered within the Division's existing budget.
